

# If Dr Seuss Wrote the Book of Mormon

*Author Unknown*

**Nephi:** Of goodly parents I was born I've never drunk, I've never sworn This is Lehi, he's my dad Laman, Lemuel, they are bad And who is this? Why this is Sam.

**Sam:** Yes, this is Sam; Sam I am

**Laman:** That Sam I am, that Sam I am I do not like that Sam I am

**Sam:** In a tent, my father dwelt

**Laman:** And it's so hot, I think I'll melt

**Lemuel:** Our father's brain is out of whack

**Laman:** Yeah, it's too hot, I'm going back

**Lehi:** Then go and get the plates, my dear

**Laman:** On second thought, I'm staying here

**Nephi:** You said you'd leave and go away Now all you want to do is stay?

**Lemuel:** That Nephi always gets his way

**Laman:** Here we are in this damp cave

**Sam:** We would not be here if you'd behave

**Nephi:** I will go and I will do There's the angel, that's my cue Laban's had too much to drink Now he'll lose his head, I think

**Nephi:** Look what I found, a brother from the quorum

**Sam:** We will take him home, we will call him Zoram

**Laman:** Our gold and silver we have spent I do not like it in this tent

**Lemuel:** I cannot read the Liahona I must have drunk too much Corona

**Laman:** We hate it here, we have no lives

**Lehi:** Then go back to the city and get some wives

**Lehi:** A tree, a tree, I see a tree!! The fruit is white, the fruit is free! A floating building, could it be? Why do they laugh and stare at me? Laman, Lemuel, come and see!

**Laman:** We will not eat your precious fruit

**Lemuel:** We will not wear a tie and suit

**Laman:** We will not help you build your boat

**Lemuel:** We do not think that it will float

**Laman:** No not this boat, it will not float Not even in a shallow moat I do not care what Nephi wrote

**Lemuel:** We will not eat your fruit I say

**Laman:** We will not eat it on a tray

**Lemuel:** And we won't eat it in a tent Not even if your clothes you rent

**Laman:** We'd rather have a can of spam

**L&L:** We will not eat it, Sam I am

**Sam:** You do not like it, so you say Try it, try it, and you may Try it and you may I say

**Laman:** Sam, if you will let us be, We will try it, you will see

**L&L:** Say, we like this fruit of life Sorry that we caused such strife You've saved us from an awful jam Thank you, thank you, Sam I am!
